

NSBL 5W E27 2700K 240V A55

NSBL 5W E27 2700K 240V A55 delivers a dimmable glow effect for a welcoming, warm atmosphere and its unique design radiates warm light in all directions, making it a true alternative to the incandescent lamp. NSBL 5W E27 2700K 240V A55 delivers a dimmable, soft, warm light. NS LEDbulbs are ideal for general lighting applications in the hospitality industry. They are particularly suited to public areas such as lobbies, corridors, stairwells, where the light is always on. Compatible with existing fixtures with an E27 holder and designed for retrofit replacement of 15w to 20w incandescent bulbs, NS LEDbulbs deliver huge energy savings and minimise maintenance cost without any compromise on light quality. It can be used together with most leading-edge dimmers, enabling further efficiencies that will help hospitality owners recoup their investment within one year.

Product Features:

5W to replace 15w to 20w incandescent bulb

Lower maintenance cost
